

ABOVE: CONCEPT FOR NEW INTERCHANGE ON US 15 AT MONOCACY BOULEVARD

SHA awarded the construction contract to Kibler Construction Co., with Notice to Proceed (NTP) on May 15, 2015. Work this summer has included erosion and sediment control preparations. A formal groundbreaking is scheduled Aug. 19.

## Recently Completed Work:

### Crews have installed Erosion and Sediment Controls

## Current Work Areas:

Crews are working in the Monocacy Boulevard area, east of US 15, to construct a temporary road as well as the permanent future roadway alignment.

## Upcoming Work:

- Setting up Automated Speed Enforcement through the Maryland SafeZones program
- Installing storm drain system (pipe and access structures)
- Constructing temporary Monocacy Boulevard
- Constructing new railroad crossing at intersection of Monocacy Boulevard. A weekend detour will be scheduled in September for this work.

Above: Currently, Monocacy Boulevard ends with a T intersection at US 15.
